ABOUT US

DIAMOND HOPE

Nanjing Diamond Hope Machinery Trading Co.,Ltd.

We Diamond Hope, which originated from Nanjing, Jiangsu Province, have been manufacturing and exporting truck parts since 2009, and received a good reputation in this industry.

We specialize in truck axle cover, ABS nut cover, steel nut cover, wheel simulator, hub cap, truck exhaust pipe, mud flap hanger and so on. During the past years, we committed to develop new and high quality product to meet customers's requirements. Wide range of product line make our customer could do one stop purchase to save cost and control the risk.

We have a professional technical department, and we are skilled in customized design, that enabled us to help our customer develop unique designs to meet new market demands, and win the market.

We focus on the competitiveness of the brand, pay attention to the growth trend of the industry, and enhance the core competitiveness of the brand in the industry. We are in accordance with the business philosophy such as 'customer comes first' with our global customers for a win-win development. In our efforts of expending our international market share, we sincerely look forward to building a long term business relationship with customers at home and abroad for a brighter future.
